Background & Instructions For Completing This Form

Note: This is an editable PDF and can be completed digitally and saved.

Established in 1984, Permarock Products Ltd is the UK's longest-established manufacturer and supplier of external wall insulation (EWI) systems. We have four decades of experience of supplying EWI to the energy efficiency and construction sectors in the UK.

We have achieved compliance with the BS EN ISO 9001 Quality Assurance Standard for the design, manufacture and supply of our systems, and the BS EN ISO 14001 Standard for Environmental Management. We are a full system designer member of the National Insulation Association (NIA), the Solid Wall Insulation Guarantee Agency (SWIGA), the Kinnell ECO Guarantee scheme, and the Qualitymark Protection Guarantee Scheme

We strive to ensure that the application of our external wall insulation and external render systems is completed to the highest standards. We are committed to demonstrating quality of product, promoting value for money, and implementing application controls and procedures to maintain our industry-leading standards. Installer contractors registered onto our installer listing play an important role in partnering with us to meet these objectives.

Whilst we recognise that this questionnaire may take some time to complete, we ask you to recognise that the questions contained within it are necessary. They are designed to elicit sufficient information for the effective assessment of your capability and your suitability to be included onto our listing of installer contractors. They will also help us to establish the type and scope of schemes on which it may be appropriate for us to work together.

It is important that you answer all the questions and sections that apply to your company. Your application may be delayed if you do not answer relevant questions or if you do not provide other documents that we may have requested.

If a question is not relevant to your organisation, this should be indicated with an explanation (where applicable).

Where supporting documents are required (for example, policies and financial records / accounts), these should be appended to the application. They should also be marked with the name of your organisation, together with the question to which the response / submitted documents relate.

We reserve the right to make enquiries as we deem necessary to establish the financial standing of any organisation at the time of its application and at any other time while the installer remains on the registered installer listing, in line with our company policy. We also reserve the right to contact organisations and trade referees, and may wish to visit reference sites. Please ensure that referees have been notified and have agreed to provide references prior to including them within your application.

If, following submission of your application, there is any change or update to the information provided, please notify us in writing, including any amended or updated documentation, where appropriate.

We would advise you to review the detail of information supplied before completing the declaration on page 17 and returning it to the person detailed below.

Please return your completed application form to:
Permarock Products Ltd, Jubilee Drive, Loughborough, Leicestershire. LE11 5TW
Email: jayne.watson@permarock.com
Website: www.permarock.com

Once we receive your application, we will endeavour to review it as soon as practicable and, in the event that we require any additional information, we will of course contact you.

We will also notify you as soon as the review of your submission is completed. We will advise you of the results and, if appropriate, the next stage(s) of the process. Please note that we are unable to issue prices, carry out installer training or supply materials until your registration is successfully completed.

We would like to take this opportunity to thank you for your interest in our external wall insulation and render systems. If you have any queries or require assistance in completing this application, please do not hesitate to contact us.

the essence. **3.3** If we fail to Deliver the Goods within 30 days of the estimated delivery date we provide to you, you may (by notifying us in writing) cancel the Contract, however: **3.3.1** you may not cancel if we receive your notice after the Goods have been dispatched; **3.3.2** you may not cancel if we receive your notice after manufacture of the Goods (or any part of the Goods) has commenced, this includes (to the extent we are unable to utilise such raw materials or components for the purpose of other existing orders) purchase (or entry to a binding commitment to purchase) any raw materials or components required for the manufacture of the Goods (or any part of the Goods); and **3.3.3** if you cancel the Contract, you can have no further claim against us under that Contract save that you shall be entitled to a refund of sums paid for Goods not received. **3.4** Without prejudice to the remaining terms of the Contract, if you accept Delivery of the Goods after the estimated delivery time, it will be on the basis that you have no claim against us for delay (including indirect or consequential loss, or increase in the price of the Goods). **3.5** We may deliver the Goods in instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment or terminate the Contract. **3.6** Where we have agreed that we are arranging carriage of the Goods, we may decline to Deliver if: **3.6.1** we believe that it would be unsafe, unlawful or unreasonably difficult to do so; **3.6.2** there is no authorised representative available at the Agreed Location at the time we attempt to make Delivery to receive the Delivery; or **3.6.3** the Agreed Location is unsuitable for our vehicle or, otherwise (in our absolute discretion) for Delivery of the Goods. **3.7** Without prejudice to any other rights or remedies available to us, if we decline to Deliver in accordance with Clause 3.6 or you otherwise fail to take Delivery of the Goods: **3.7.1** we may charge to you (in respect of any attempted but failed or declined delivery) a failed delivery fee and/or re-delivery fee to reflect our actual costs and expenses suffered or incurred in connection with such attempted delivery and/or re-delivery; **3.7.2** we may store the Goods until actual Delivery takes place, and charge you for all related costs and expenses (including insurance); and **3.7.3** if ten Business Days after the earlier of: (i) the day on which we notified you that the Goods were ready for delivery; or (ii) the date of our first attempted (but declined or failed) delivery, you have not taken actual Delivery of the Goods, we (or our nominated representative) may resell or otherwise

dispose of part or all of the Goods and, after deducting reasonable storage and selling costs and expenses together with any sums due to us pursuant to Clauses 3.7.1 and 3.7.2 above, account to you for any excess over the price of the Goods or charge you for any shortfall below the Price of the Goods. Any costs, expenses or charges due to us pursuant to this Clause 3.7 shall be payable by you to us on demand.

4. Risk

4.1 The Goods are at your risk from the time of Delivery. **4.2** Delivery takes place either: **4.2.1** on completion of loading to the vehicle at the Agreed Location (if you are collecting the Goods or arranging carriage); or **4.2.2** on completion of unloading of the vehicle at the Agreed Location (if we are arranging carriage), as specified and at the carriage rates detailed in the Sales Order Acknowledgement. **4.3** You must carry out a visual inspection of the Goods immediately on Delivery. If any Goods are damaged (or not Delivered), you must write to tell us within 48 hours of Delivery. You must give us (and/or any carrier nominated by us) a fair chance to inspect the damaged Goods and (if requested by us) provide reasonable evidence of the damaged or missing items.

5. Price and payment terms

5.1 Any price quoted to you prior to the Contract is based upon our list prices (as such may be updated from time to time) less any discount we agree in writing to offer to you, and: **5.1.1** will lapse after the period specified in our quotation (or, if no such period is stated, after 30 days); **5.1.2** excludes delivery (unless otherwise stated); **5.1.3** without prejudice to Clause 5.1.4, may be amended or withdrawn by us at any time; and **5.1.4** unless otherwise stated is an illustrative estimate only and the price charged will, subject to Clause 5, be the Price included in our Sales Order Acknowledgement (and shall be subject to any terms set out in such Sales Order Acknowledgement or any quotation issued by Permarock in connection with such Sales Order Acknowledgement). **5.2** Discounts, if any, offered shall be at Permarock's absolute discretion and may be withdrawn or amended at any time without notice. **5.3** The price of the Goods is the Price (and shall be subject to any terms set out in such Sales Order Acknowledgement or any quotation issued by Permarock in connection with such Sales Order Acknowledgement). **5.4** The Price excludes: **5.4.1** VAT (unless otherwise stated). VAT will be charged at the rate applicable at the date we issue our invoice in respect of the Goods; and **5.4.2** the costs and charges of packaging, insurance and transport of the Goods, which shall be invoiced to you in addition to the Price. Such costs shall be determined by reference to our price list (current as at the date of Delivery). **5.5** Rates of tax and duties on the Goods will be those applicable at the time of invoice. **5.6** At any time before Delivery we may increase the

Price (by informing you in writing) to reflect any increase in our costs of supplying the Goods that is due to: **5.6.1** any factor beyond our control (including foreign exchange fluctuations, increases in taxes and duties and increases in the cost of labour, materials, transportation and other manufacturing costs); **5.6.2** any delay caused by any of your instructions or your failure to give us adequate or accurate information or instructions; or **5.6.3** our inability to supply the Goods (save where arising from our default) prior to the date set out in our quotation or Sales Order Acknowledgement as being the date upon which the Price provided will expire and be subject to review. **5.7** Subject to Clause 5.8, you will pay us the Price in full and cleared funds on receipt of our invoice in respect of the same (which may be raised by us at any time prior to Delivery). We shall have no obligation to make Delivery unless and until we receive payment in full and cleared funds of the Price. **5.8** If (i) you have an Approved Credit Account; and (ii) the sums due pursuant to this Contract will not cause you to exceed the limit applicable to such Approved Credit Account; and (iii) that Approved Credit Account has not been suspended or withdrawn, payment of the Price is due (in full and cleared funds) no later than the 27th day of the month following the month in which we issue our invoice to you. **5.9** If you fail to pay us the Price in full and cleared funds by the due date (without prejudice to any other rights and remedies available to us): **5.9.1** we may suspend or cancel: (i) the Order in relation to which you fail to pay the Price in full and cleared funds by the due date; and/or (ii) any future deliveries and orders not yet fulfilled; **5.9.2** we may cancel any discount or other promotional pricing offered to you; **5.9.3** you must pay us interest at the rate set under s.6 of the Late Payment of Commercial Debts (Interest) Act 1998: i. calculated (on a daily basis) from the date upon which our invoice becomes due until receipt of payment by us in full and cleared funds; ii. compounded on the first day of each month; and iii. before and after any judgment (unless a court orders otherwise); **5.9.4** you shall pay to us, on demand, fixed sum compensation under s.5A of the Late Payment of Commercial Debts (Interest) Act 1998 to cover our credit control overhead costs; and **5.9.5** you shall pay to us, on demand, all costs, expenses, disbursements and other losses suffered or incurred in connection with our taking of any action to make you pay all sums due to us under or in connection with the Contract. **5.10** If you have an Approved Credit Account we may withdraw it or reduce your credit limit or bring forward your due date for payment or otherwise condition it in any other manner we (in our absolute discretion) deem appropriate. We may take any of these actions at any time and without notice. **5.11** You do not have the right to set off any money you may claim from us against anything you may owe us. **5.12** While any sums due to us in

connection with the Contract are outstanding, we have a right to keep any property we may hold of yours until you have paid us in full (a lien). **5.13** All sums due to us under and in connection with the Contract shall be paid in full and cleared funds to the bank account nominated in writing by us for this purpose.

6. Title

6.1 Until title to the Goods passes to you in accordance with Clause 6.2: **6.1.1** you must store them separately from all other goods held by you and so that they are clearly identifiable as our property; **6.1.2** you must maintain the Goods in satisfactory conditions and insure them to their full resale value (against the risks for which a prudent owner would insure them) and hold the policy on trust for us; **6.1.3** you must give us such information as we may reasonably require from time to time relating to (i) the Goods; and (ii) your ongoing financial position; **6.1.4** you may use those Goods and (subject to Clause 6.3) sell them in the ordinary course of your business, but not if: i. we revoke that right (by informing you in writing); or ii. you become Insolvent. **6.2** Title to the Goods shall not pass to you until the earlier of: **6.2.1** Permarock's receipt of payment in full and cleared funds of all sums due to Permarock from the Customer for sales of the Goods, in which case title to these Goods shall pass at the time of payment in full and cleared funds of all such sums; and **6.2.2** your resale of those Goods, in which case title to those Goods shall pass to the Customer at the time specified in Clause 6.3 and you shall account to us for the proceeds of sale or otherwise of the Goods and shall keep all such proceeds separate from any of your monies and the monies of third parties. **6.3** You must not sell (or purport to sell) the Goods until they have been Delivered to you. If you sell the Goods in accordance with Clause 6.1.4 before we receive payment, you do so as principal and not as our agent, and title to the Goods shall pass to you immediately before the time at which resale occurs. **6.4** You must notify us (in writing) immediately if you become Insolvent. **6.5** If your right to use and sell the Goods ends in accordance with Clause 6.1.4, you must deliver up all the Goods in your possession that have not been resold, or irrevocably incorporated into another product and if you fail to do so promptly (and, in any case, within two (2) Business Days), we may enter any premises (whether your premises or a third party premises) where the relevant Goods are stored to allow us to remove and take possession of the Goods. **6.6** We have your permission to enter any premises where the Goods may be stored: **6.6.1** at any time, to inspect them; and **6.6.2** after your right to use and sell them has ended in accordance with Clause 6.1.4, to remove them, using reasonable force if necessary. **6.7** Despite our retention of title to the Goods, and without prejudice to any other rights and remedies available to us, we

have the right to take legal proceedings against you to recover the price of Goods supplied should you not pay us by the due date. **6.8** You are not our agent. You have no authority to make any contract on our behalf or in our name.

7. Warranty

7.1 We warrant that the Goods will on Delivery: **7.1.1** comply with their description as set out in our Sales Order Acknowledgement and the Specification; and **7.1.2** be free from material defects in material and manufacture, the above being our Warranty. **7.2** We give no other warranty (and exclude any warranty, term or condition that would otherwise be implied) as to the quality of the Goods or their fitness for any purpose. **7.3** If you believe that we have delivered Goods which are in breach of our Warranty, you must: **7.3.1** inform us (in writing), with full details, as soon as possible and in any event: i. in the case of a defect or matter that is apparent on normal visual inspection: (A) within 48 hours of Delivery in accordance with Clause 4.3; or (B) where Clause 11 applies, before shipment in accordance with Clause 11.4; and ii. in respect of any other defect or matter, within five (5) Business Days of the date upon which you became aware of or ought reasonably to have become aware of such defect or matter; and **7.3.2** allow us or our nominated representative to investigate (we may need access to your premises and product samples). **7.4** If you fail to give notice in accordance with Clauses 4.3, 7.3 or 11.3 (as applicable) you shall be deemed to have accepted the Goods and shall have no claim for any breach of Warranty. **7.5** If the Goods supplied are found to be in breach of our Warranty (following our investigations), and you have complied with the conditions in Clause 7.3 in full, we will (at our option) either replace the Goods or refund the Price. These Terms apply to any replaced Goods. You will (at your own cost) be responsible for the destruction and disposal of the Goods in accordance with all applicable laws, rules, regulations, industry guidance and best practice, and health and safety sheets applicable to the Goods.

8. Liability and Indemnities

8.1 References to liability in this Clause 8 include every kind of liability arising under or in connection with the Contract including liability in contract, tort (including negligence), misrepresentation, restitution or otherwise. **8.2** Subject to Clause 8.5, we are not liable for the following types of loss: **8.2.1** (direct or indirect) loss of profits; **8.2.2** (direct or indirect) loss of sales or business; **8.2.3** (direct or indirect) loss of agreements or contracts; **8.2.4** (direct or indirect) loss of anticipated savings; **8.2.5** (direct or indirect) loss of use or corruption of software, data or information; **8.2.6** (direct or indirect) loss of or damage to goodwill; and **8.2.7** indirect or consequential loss. **8.3** Subject

to Clause 8.5, our total liability to you arising out of or in connection with the Contract shall not exceed the Price of the Goods supplied. **8.4** You acknowledge and agree that whilst we may designate persons as an 'authorised installer' (or a similar designation), any installer or other third party engaged by you to install the Goods is employed or engaged directly by you and is not an employee, agent, officer or consultant of Permarock or otherwise connected to Permarock and all aspects of installation carried out (or failed to be carried out) by such persons will be at your own risk. Subject to Clause 8.5, we shall have no liability whatsoever arising out of or in connection with the installation (or non-installation) of the Goods by any third party (including any person designated by us as an 'authorised installer' (or similar)). **8.5** Nothing in the Contract restricts or limits our liability for: **8.5.1** death or personal injury resulting from negligence; **8.5.2** fraud or fraudulent misrepresentation; **8.5.3** breach of the terms implied by section 12 of the Sale of Goods Act 1979; or **8.5.4** any other liability which may not be limited or excluded by applicable law. **8.6** The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract. **8.7** You will indemnify us in full and hold us harmless from and against all and any costs, expenses, liabilities and other losses we may incur (directly or indirectly and including finance costs and legal costs on a full indemnity basis) arising from any breach by you of any of your obligations under these Terms.

9. Specification

9.1 If we agree to prepare the Goods in accordance with your specifications or instructions you must ensure that: **9.1.1** the specifications or instructions are accurate and complete; **9.1.2** Goods prepared in accordance with those specifications or instructions will be fit for the purpose for which you intend to use them; and **9.1.3** your specifications or instructions, and our use of them in connection with the Goods, will not result in the infringement of any intellectual property rights of a third party, or in the breach of any applicable law or regulation. **9.2** We reserve the right to make changes to the Specification of our Goods from time to time (including following the Contract Date): **9.2.1** which are necessary or desirable to ensure the Goods conform with any applicable safety or other statutory or regulatory requirements; and **9.2.2** as we in our absolute discretion consider necessary or desirable, provided that such changes do not cause any material degradation in the ability of the Goods to meet any performance criteria set out in the Specification. **9.3** Without prejudice to any other rights and remedies available to us, we have the right to reject any of your specifications or instructions if (in our reasonable opinion) they are in actual or suspected breach of Clause 9.1. You are liable

for, and shall pay to us (on demand), any additional costs and expenses incurred by us as a result of any such actual or suspected breach.

10. Return of goods

10.1 Without prejudice to your rights pursuant to Clause 7: (i) Goods are not supplied on a sale or return basis; and (ii) Goods supplied by us may only be returned to us with our prior written approval. If we provide prior written approval to the return of the Goods, we will (in addition to any other conditions we may (in our absolute discretion) impose in connection with the return of the Goods) accept the return of Goods from you only: **10.1.1** on payment of an agreed handling charge; and **10.1.2** where the Goods are returned in the same condition as they were in on Delivery.

11. Export terms

11.1 This Clause 11 applies: (i) where the Goods are supplied by us to you by way of export from the United Kingdom (regardless of whether you or we are responsible for the export); and (ii) except to the extent that it is inconsistent with any written agreement between us. Where and to the extent this Clause 11 applies, if there is any inconsistency between any provision of this Clause 11 and any provision of the remainder of these Terms, the provisions of this Clause 11 shall prevail (but only to the extent of the conflict). **11.2** Unless otherwise agreed, the Goods shall be supplied EXW Permarock's warehouse Loughborough, 'Incoterms® [relevant version] Rules'. The relevant 'Incoterms®' for this purpose shall be the Incoterms® published by the International Chamber of Commerce (or any superseding or replacement organisation) and which are in force at the Contract Date, provided that we shall only be required to provide reasonable assistance to you in connection with your obtaining such documents and information as you may require for the purpose of exporting the Goods (and export clearance shall remain your sole and exclusive responsibility). **11.3** Where the Goods are to be sent by us to you by a route including sea transport we are under no obligation to give a notice under section 32(3) of the Sale of Goods Act 1979. **11.4** You are responsible for inspection and any required testing of the Goods at our premises before collection (unless otherwise agreed). We are not liable for any defect in the Goods which would be apparent on visual inspection unless a claim is made before collection. We are not liable for any damage during transit.

12. Termination and cancellation

12.1 Without prejudice to any other rights and remedies available to us, we may terminate the Contract and any other contracts for the supply of goods entered into between you and us and/or suspend the performance of our obligations (including the supply of the Goods) under or in connection with the Contract or any other

contracts for the supply of goods entered into between you and us, with immediate effect by written notice if: **12.1.1** you fail to pay us any sums when due (under the Order, these Terms or otherwise); **12.1.2** you become Insolvent or we reasonably believe that you are about to become Insolvent; **12.1.3** where we have any rights under these Terms to cancel an Order; or **12.1.4** you breach the Contract. **12.2** Subject to Clause 12.1, you may not cancel the Order unless we agree in writing (and Clause 12.1 then applies). **12.3** On termination of the Contract for any reason: **12.3.1** all invoices (together with any interest accrued thereon) shall become immediately due and payable and, in respect of Goods supplied but for which no invoice has been submitted, Permarock shall submit an invoice, which shall be payable by the Customer immediately on receipt; and **12.3.2** without prejudice to any other rights and remedies available to us, you shall pay to us (on demand) all costs and expenses incurred by us in relation to the Contract including in relation to the purchase (or commitment to purchase) stock (finished or unfinished), labour costs and costs and expenses incurred in relation to the administration and management of the Contract. **12.4** Termination of the Contract, however arising, shall not affect any of the parties' rights and remedies that have accrued as at termination, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination. **12.5** Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination of the Contract shall remain in full force and effect.

13. Waiver and variations

13.1 Save as set out in Clause 9.2, any waiver or variation of the Contract shall only be binding if: **13.1.1** made (or recorded) in writing; **13.1.2** approved by a duly authorised representative for or on behalf of each party; and **13.1.3** expressly stating an intention to waive or vary the Contract.

14. Force majeure

14.1 If we are unable to perform our obligations to you under the Contract (or able to perform them only at unreasonable cost) or are delayed in the performance of our obligations under the Contract because of an event, circumstance or cause beyond our control (Force Majeure Event), we may suspend the performance of our affected obligations, without liability and the time for performance of such obligations shall be extended for a period equivalent to that for which the Force Majeure Event continues. If the period of delay or non-performance continues for more than 3 months, you shall be entitled to terminate the Contract by giving 30 days written notice to us and we shall refund to you any sums paid for Goods not Delivered prior to termination (save where such non-Delivery has

arisen from your act or omission). The foregoing shall constitute your sole and exclusive remedy in relation to our delay or non-performance arising from a Force Majeure Event. **14.2** Force Majeure Events include (but shall not be limited to) an act of God, accident, explosion, war, terrorism, fire, flood, epidemic or pandemic, transport delays, strikes and other industrial disputes and difficulty in obtaining supplies.

15. General

15.1 These Terms apply to all Orders that you place with us to the exclusion of: **15.1.1** any other terms you may have received from us (to the extent they are inconsistent with these Terms); and **15.1.2** any other terms that you or an eventual end customer seeks to impose or incorporate, or which are implied by law, trade, custom, practice or course of dealing. **15.2** English law is applicable to the Contract and any disputes or claims (including non-contractual disputes or claims) arising out of or in connection with it. The English and Welsh courts have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Contract. **15.3** If you are more than one person, each of you is liable for all of your obligations under the Contract (joint and several liability). **15.4** If any of these Terms are or become invalid, illegal or unenforceable as drafted: **15.4.1** it will not affect the enforceability of any other of these Terms; and **15.4.2** if it would be valid, legal and enforceable if amended (whilst retaining the intended commercial result), it will be treated as so amended. **15.5** All brochures, catalogues and other promotional materials are to be treated as illustrative only. Their contents form no part of any contract between us and you should not rely on them in entering into any contract with us. **15.6** Any notice by either of us which is to be served under these Terms may be served by email (to the email address notified in writing for this purpose) or by leaving it at or by delivering it to (by pre-paid first class post or by hand) the other's registered office or principal place of business. **15.7** Any notice shall be deemed to have been received: (i) if delivered by hand, at the time the notice is left at the proper address; (ii) if sent by pre-paid first-class post, at 9.00 am on the second Business Day after posting; or (iii) if sent by email, at the time of transmission, or, if this time falls outside Business Hours in the place of receipt, when Business Hours resume. **15.8** The Contract will not create any right enforceable (by virtue of the Contracts (Rights of Third Parties) Act 1999) by any person not a party to it. **15.9** The Contract constitutes the entire agreement between the parties in respect of its subject matter. Each party acknowledges that in entering into the Contract it does not rely on any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract.

Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in the Contract. **15.10** Permarock may at any time assign, transfer, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with all or any of its rights or obligations under the Contract. **15.11** You may not assign, transfer, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with any or all of your rights or obligations under the Contract without the prior written consent of Permarock. **15.12** Each party undertakes that it shall not at any time disclose to any person any confidential information concerning the business, assets, affairs, customers, clients or suppliers of the other party, except as permitted by Clause 15.13. **15.13** Each party may disclose the other party's confidential information: **15.13.1** to its employees, officers, representatives, contractors, subcontractors or advisers who need to know such information for the purposes of exercising the party's rights or carrying out its obligations under the Contract. Each party shall ensure that its employees, officers, representatives, contractors, subcontractors or advisers to whom it discloses the other party's confidential information comply with Clause 15.12; and **15.13.2** as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority. **15.14** Neither party shall use the other party's confidential information for any purpose other than to exercise its rights and perform its obligations under or in connection with the Contract.
